LIFESTYLE OR STYLE OF LIFE

If you crave the lifestyle, want to own a cow or grow some veges, this is the ideal property for you. Perched on approx 3.5 acres, the liveable shed has had all the mod cons added to make it a home, timber decks front and back, kitchen/dining area, a master bedroom complete with ensuite and timber french doors opening onto views of the gardens. The property is completely fenced and has a variety of established ornamental plants and fruit trees. Down the back a separate fenced area to keep your pet cow or horse. A terracotta wood fired oven will make your dinner taste even better while you enjoy the tranquility. A bore and underground irrigation ensures everything stays green all year round.
