## BRICK, POOL & CLOSE TO SCHOOLS

Here is a true family home, beautifully maintained and located close to schools. The clay brick home has 3 bedrooms plus an office and has undergone recent renovations and painting. With a timber kitchen that overlooks the covered outdoor and pool area, you can keep a watchful eye on the little ones while cooking the family meal. The dining room opens onto the entertainment area to maximize the family living area or alternatively move direct from dining into the relaxing carpeted lounge room. All bedrooms have built in cupboards while the master bedroom has a walk through robe and an ensuite.

Create memories with family and friends while they enjoy the large in-ground pool on the 880 square metre property which is fully fenced for privacy and security.
