RENOVATED - READY TO ENJOY

This 4 bedroom home with additional media room has been renovated realizing its natural beauty from the polished timber floors to its quality external cladding that never needs painting or won't deform making it virtually maintenance free. The property has established gardens with raised timber plant beds that both provide you with a green scene to enjoy while entertaining family and friends from the covered outdoor entertainment area and the privacy screen sometimes required in town. A rendered masonry block shed sits far enough away from the main area that would be perfect for a man shed, kids play area or studio. Internally the home has new lighting, a large kitchen conveniently located to service all areas, a well designed bathroom with large corner vanity and good sized laundry with extra storage space. The 814 sqr mtr allotment is located close to schools, sports field and a short drive to Main Street shopping.

This home would also make a great addition to a property investment portfolio with good rent currently being achieved. Call now to arrange an inspection.
