QUEENSLAND LIFESTYLE

Imagine owning this piece of Tablelands paradise steeped in history. The main part of the Queenslander home was built in the early 1900's with additions added around the 1940's, further construction in the 70's and with constant maintenance keeping the home in great condition for its age. The home elegantly sits in an elevated position towards the front of the 21 acre lifestyle block and has commanding views over the southern Tablelands and Hastie swamp. Rustic sheds, an old dairy and retired piggery add to the charm of this property which is only 5 minutes drive to Main Street, Atherton. The home has a modern kitchen, renovated bathroom, a downstairs studio and is equipped with a 3Kw solar unit. Fully fenced to run a small herd of livestock, become a hobby farmer or just sit back and enjoy, this is truly Queensland Lifestyle.
